

NATURAL SPACES DOMES

We have one existing dome that we have previously used for display at several shows and events. We no longer use it and we need the storage space so this is a great deal!

25'8m diameter, 1/2 dome, 2 frequency partial dome shell, 2x6 struts, 3/4" plywood exterior panels with elastomeric roofing. Floor system w/synthetic deck boards, comes in 6 sections. Two triangular skylights. Connection system.

Additional struts and panels could be ordered to complete the dome shell.

Value \$13,000+ Sale \$6,500 50% off !
